# STICKER COMPETITION

Get ready to showcase your talent in our sticker design competition. We're on the lookout for innovative designs that encapsulate the spirit of **exploration** and **interconnectedness**, and they will be designed by Beyond Boundaries students. Whether it's a round or rectangular canvas, your artwork should fit within a 3-inch diameter for round stickers or a 2x3-inch frame for rectangles, bursting with vibrant, full-color brilliance. Submit your masterpiece by the January 22 deadline via the provided [GOOGLE FORM](#), and get ready to have your design voted on by your fellow BB students. Unleash your imagination and let your creativity roam as you create these stickers!
